25X1 23. [] LEGISLATION Called Jim MacRae, OMB, to see if there is an Administration position on H.R. 4713, H.R. 3745, H.R. 4793, et al., Government contract bills. Mr. MacRae said that the Administration has not set out a position and is leaving each agency free to respond on its own, although OMB wants to see the letters first.

25X1 24. [] LEGISLATION Called Bob Carlstrom, OMB, to ask him to reconsider their position on our FOIA letter to Representative Samuel Devine (R., Ohio). I asked if they would object to our sending the letter up as we proposed, with a statement that this is not the Administration's position.

25X1 25. [] LEGISLATION Called Jim Stimpson, OMB, concerning OMB's proposed report on H.R. 4620, the physicians pay comparability bill. I told him that we would have at least oral comments to him by the end of the week. He said this was fine.

25X1 26. [] LIAISON Called Gerald Hackett, Executive Clerk of the Senate, and asked him if Ambassador Carlucci's nomination had been put on the calendar yet. He said it had not but that it was possible it would go on for Thursday morning. He said he would let me know as soon as he found out.
